

## Junior and Little Junior Room Term 4 Newsletter

Welcome back to Term 4, we hope you had a lovely break away and managed to spend some time recharging ready for the busy weeks ahead.

Just a quick heads up, Mrs Bailey is heading away on camp with the Senior Room this week, so will be doing her full day on Monday rather than the Friday this week. Wednesday, Thursday and Friday, her class will be back in the main classroom with Mrs Hull.

Sunhats are required this term, these can be purchased from the school office. We do have water fountains at school but also encourage the tamariki to bring a drink bottle for the classroom. (Water only).

Events coming up this term:

Working Bee at school this coming Monday 23rd October, 11am

Junior Athletics fun day 29th November

Life Education and Wings over Wairarapa (Week 7)

Parent conferences Tuesday 5th and Wednesday 6th December

Teacher Only Day November 20th

Our numeracy focus this term will be around Statistics and Probability and our beautiful Sensory Garden will be one of the main themes that we base our learning around.

We will continue to send reading books home until around Week 9 this term, it is important that these are read at home with you as this helps cement the learning the tamariki are doing in class. Please help them to remember to put their bookbags back in their schoolbags afterwards.

Can we please have all poetry books back for Monday after you have read the poems with your tamariki.

If you have any questions or issues, please don't hesitate to get in touch.

Kind regards

Anna Hull and Kerri Bailey
