Arrival Time at School

Just a gentle reminder that children shouldn't be arriving at school before

8.15am

unless you have organised that with me (Tana).

While I'm usually here no later than 7.45am, anything could happen which means I haven't arrived - traffic, natural disaster, locusts . . . !

Kia ora, whānau! Don't you just feel everything drying out? I finally managed to cut my grass on Sunday, but it was so long and still so wet, it took me most of the afternoon! At least I won't lose the dog in it every time I let her out now . . .

Y5-8 Football Tournament: The tournament went ahead on the postponement day in the end, which was Friday of last week. A huge thank you to Chris Miller for stepping in to be our Team Manager/Chief Cat Herder for the day! Our team of Y5-8s had SUCH an excellent time, and totally played their hearts out in every game! They won three games: 2-1; one via a bye; and the last was a no-show by the other team, but still, those those are most definitely, technically, wins. Well done, guys and gals!

Martinborough Music Festival: We are all heading into the Anzac Hall next Friday, 26 August, to enjoy some wonderful musicians via the Martinborough Music Festival's Outreach Programme. We have taken some or all of our tamariki to these concerts for most of the years I've been at South Featherston School. It is a short and sweet programme, especially designed to keep the attention of even our smallest learners! In the past year and a half, we have had such a fabulous uptake across all three classrooms for the violin, cello and guitar lessons offered by Caitlin, so I think the concert will be well received by all.

Senior Room happenings: Monday morning is the photography day-long workshop on Monday 22 August (Week 5) with the amazing Mandi from 'Click Happy'. They also have the first of four workshops at Fareham Creative Space coming up on Thursday. For these, our senior class will travel into town, where they will be planning and creating "ITI" (small) boards. These will be entered into an exhibition sale on the last Sunday of the next holidays. More information to come about this over the next few weeks. This is such an amazing opportunity for the class to plan and complete an art piece, under the guidance of some top-notch creatives, and then see it put up for others to enjoy outside of our school.

Dental Bus and Vision and Hearing Teams: Please note that the dental bus team arrived at our school on Friday, and will be working their way through the mouths of your children. 😊 Early in September, the Vision and hearing Team will also be at our school. Please contact the school if you have any concerns for your child's vision or hearing and we will ensure they're on the list to be seen.

Wellington Free Ambulance Onesie Day: This is fast coming up! Friday 2 Sept is the day, so drag that onesie out of the back of your child's wardrobe, see if it still fits, and make sure they wear it that day! It's always a good idea to get them to wear their uniform underneath, or bring it to school to put on if they get too hot. I'll have to try and remember which one I'm to wear this year – I have three that I rotate . . . !
